Wasco Indian hired by Winslow Anderson, a mulatto, to clear the Anderson claim near Oregon City. in exchange for a horse. Anerson sold the claim to Saul (QV) a black who was sub agent under Dr. Elijah White for Indian affairs. The two blacks refused to give horse to Cockstock and he took it. White forced Cockstock to return horse and he invaded Oregon City with 4 painted warriors and later fired on a group of citizens. Winslow Anderson killed Cockstock with a blow from his musket and two whites died of wounds. One was George LeBreton.
